

Dear Friends & Family,

Quiet House is organizing 'Earth Healing Festival- Festival of Happiness and Giving' For Children from 7th to 12th August 2014.

This is to ask all of you to contribute toward the Festival Fund.

It is a one time opportunity for children to come together and participate in a variety of workshops, activities, games & more that will help in holistic development of their physical, mental, emotional and spiritual well being!

Primarily, for children of 8 years & above of age, the festival seeks to initiate an internal process in each child's life that will
Unlock his/her hidden creative potential,
Open an awareness of Self,
Open an awareness of his/her relationship with another &
Establish a deep, & unshakable connection with Mother Earth.
